How to use Nilkamal Wood**GUARD** in few easy steps:

- Remove furniture and measure the size of its back

- Cut Nilkamal Wood**GUARD** with a simple cutter or a pair of scissors to required size

- Apply adhesive - (SG 1000 of 3M/HEATX of Pidilite) to the plywood and then Wood**GUARD**

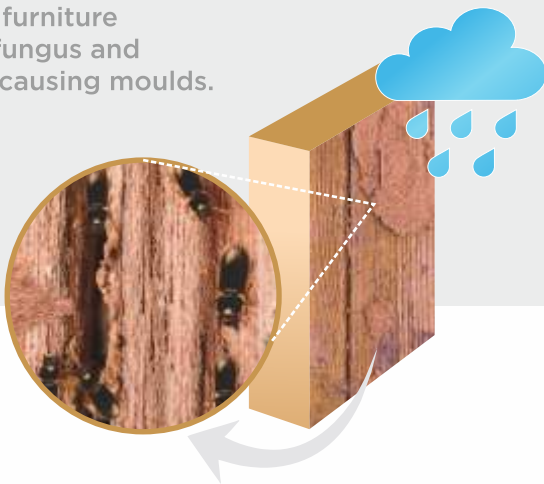

- Press the Wood**GUARD** on the plywood firmly and allow it to set for 5 - 10 minutes

- Place the furniture back in its place

Use Nilkamal Wood**GUARD** and see the difference:

Wooden furniture attracts fungus and bacteria causing moulds.

Nilkamal Wood**GUARD** protects wooden furniture from fungus and bacteria.
